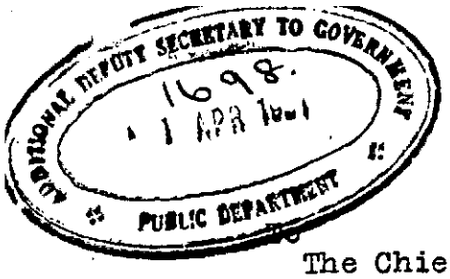
# FOR MYSORE STATE



The Chief Secretary to the Government of Madras,
Government of Madras,
M a d r a s.

Honoured Sir,

SUB:- DISPLACED PERSONS FROM PAKISTAN - REHABILITATI TION - GRANT OF LOANS & CHANGE OF BUSINESS- REQUESTED.

I beg to submit asfollows:-

D.210/F I have submitted an application for sanction of permission for the change of the business as the present one i.e. Tea Stall is not fetching any income, as the local authorities are not kind enough to supply me the required quantity of sugar for the Tea Stall run by me. For the past six or seven months I am not at all supplied with sugar; hence this request for the change of business. In addition to this to my ill-luck I have not received any favourablereply from you till now.

In the absence of supply of sugar my business has suffered a loss and I have now become a penniless and have in addition incurred debts. I earnestly request that if an additional loan of Rs.350/- is sanctioned and paid to me at an early date I shall open a fancy stores - Cutlery and commence sales; and also continue the present Tea Stall if one bag of sugar atleast is allotted to me per month.

The Municipality is demanding me to pay the lease amount of the stall at once and I am helpless at this juncture to pay the same.

The subordinates also at the Collectorate, Bellary are giving a deaf ear whenever I approach them to inquire about the supply of sugar etc.

My father and mother are your kindness only. You know I am a displaced person a poor refugee.

Hence for my rehabilitation I require your kindness apprisal of my hardships and releive me and giving kind consideration and approval of my requisition an favour for which act of kindness I shall ever remain grateful.

Awaiting for an favour of early response.

Thanking you,

Yours faithfully,

Bellary,

From

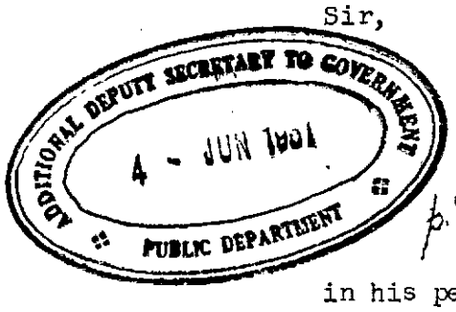
Collector, Bellary.

To
The Secretary to Government,
Public (Refugees-A) Department, Fort St. George, MADRAS.

Sir,



Sub:- Displaced persons from Pakistan - Rehabilitation - Bellary town - Sri Varandmal Thawandas - change of business and fresh loan - request - report sent

Ref:- Endt. No.1698/51-1 dated 19.4.1951 Public (Refugees-A) Department, Madras.

The displaced person Sri Varandmal Thavardas has complained in his petition to the Government that

i) the required quantity of sugar has not been supplied to him, and

ii) no sugar was supplied to him for the past 6 or 7 months.

He has also requested that an additional loan of Rs. 350 may be granted to him to start a fancy stores.

2. The displaced person has been enquired and his statement has been recorded. A copy of it is enclosed.

3. It is seen from his own statement that he has been supplied half a bag (i.e 4½ mds) of sugar each month. As he says that the quantity is insufficient to run his tea-stall., I have since ordered that one bag of sugar per month should be supplied to him.

4. His allegation that no sugar was supplied to him duirng the past six or seven months is false as he himself has admitted in his statement that he has been supplied half a bag of sugar each month.

5. His request for an additional loan of Rs. 350 to change his business to a fancy stores deserves no consideration. His previous application for a change of business was rejected by the Government in their memorandum No. 4111/50-1 Public (Refugees) Department, dated 11.8.50. He has already been granted a business loan including ration allowance) of Rs. 451 to run a tea-stall. He now represents that he is not accustomed to work in the kitchen and the business of running a tea-stall is not suitable to an old man like him. But this is an idle argument. He may very well engage a servant to assist him if he finds it difficult to carry on the business himself. The reasons given by him do not warrant a change of business. His history sheet shows that he was only a servant under a commission agent and it is unreasonable that he should complain about his present business (of a tea-stall). I submit, therefore that the request of the refugee may be turned down.

Encl:- Refugee's statement.

Statement of Varnadmal Thawardas, Pakistan Refugee, Bellary dated 18.5.1951.

I am a tea stall holder, running a tea stall in Adoni Bus stand. I am running this business for about 7 months. I am regularly given half a bag of sugar per month for my business, but this quantity is very insufficient for my needs. In all months, I have received the half bag of sugar, but owing to its insufficiency I have applied for enhanced quota.

I require a full bag of sugar per month to run my tea stall without loss, but I am for a change of business into a fancy stores, because the tea stall in the Adoni bus stand is a difficult business to thrive. I am an old man and am unable to get on with the tea stall business which needs cleaning of vessels and supply to customers promptly. I have not been accustomed to the preparation of tea and other sweetmeats.and this business is not suitable for an old man like me. A fancy stores will be easy task for me and also a respectable business.. That is why I requested the Govt.

I requested the Government for a change of busine.s into a fancy .tore.s and for grant of an additional loan. I request that the change of business and the additional loan may be sanctioned.

If the Government refuse to sanction the change of business, I mean leaving off the tea-stall business and go away as a pilgrim to Haridwar on holy duties.

Read over to me and explained in Hindi and admitted by me to be correct.
